

## True Colors – Cindy Lauper

You with the sad eyes, don't be discouraged  
Oh I realize it's hard to take courage  
In a world full of people, you can lose sight of it all  
And the darkness inside you can make you feel so small

But I see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors are beautiful  
Like a rainbow

Show me a smile then, don't be unhappy,  
Can't remember when I last saw you laughing  
If this world makes you crazy and you've taken all you can bear  
You call me up, because you know I'll be there

And I see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, (your) true colors are beautiful  
Like a rainbow

If this world makes you crazy you've taken all you can bear  
You call me up, because you know I'll be there  
And I see your true colors shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let it show  
Your true colors, true colors, true colors are shining true  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors are beautiful  
Like a rainbow
