

Flashlight - Jessie J

When tomorrow comes, I'll be on my own
Feeling frightened of the things that I don't know
When tomorrow comes, tomorrow comes, tomorrow comes

And though the road is long, I look up to the sky
And in the dark I found, lost hope that I won't fly
And I sing along, I sing along, and I sing along

I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you're shining in my eyes
Can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Cause you're my flash light, you're my flash light, you're my flash light

(Oho) I see the shadows long beneath the mountain top
I'm not afraid when the rain won't stop
Cause you light the way, you light the way, you light the way

I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you're shining in my eyes
Can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Cause you're my flash light
You're my flash light, you're my flash light

I got all I need when I got you and I
I look around me, and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me, getting me through the night
Can't stop my heart when you're shining in my eyes
Can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me, gettin' me through the night
Cause you're my flash light, you're my flash light, you're my flash light
Ooooooooooooooooooio – Oooooooooo – Oiiiiioiiiiioiiiio - Oohhhhhhhhhohoooo
You're my flash light light light, you're my flash light light light
Yeah – yeah. You're my flash light
