

Ayo Technology - Milow

She work it girl, she work the pole
She break it down, she take it low
She's fine as hell, she's about the dough
Doing her thing right on the floor
Her money money she making
Look at the way she's shaking
Make you wanna touch her, wanna taste her
Have you lusting for her, gone crazy face it

She's so much more than you're used to
Knows just how to move to seduce you
She's gonna do the right thing and touch the right spot
Dance in your lap till you're ready to pop
She's always ready, when you want it she want it
Like a nympho, the info, show you where to meet her
On the late night, till daylight, club jumping if you want a good time
She's gonna give you what you want

*Baby it's a new age, you're like my new craze
Let's get together maybe we can start a new phase
The smoke's got the club all hazy, spotlights don't do you justice baby
Why don't you come over here, you got me saying
Ayo, I'm tired using technology, why don't you sit down on top of me
Ayo, I'm tired using technology, I need you right in front of me*

In her fantasy it's plain to see, just how it'd be on me
Backstroking, sweat soaking, all into my set sheet
When she's ready to ride, I'm ready to roll
I'll be in this bitch till the club close
What should I do on all fours
Now that that shit should be 'gainst the law
Different style, different move,
Damn I like the way you move
Girl you got me thinking 'bout, all the things I do to you
Let's get it popping shorty, we can switch positions
From the couch to the counters of my kitchen
