

## Chasing Cars - Snow Patrol

We'll do it all, everything, on our own  
We don't need anything, or anyone

If I lay here, if I just lay here  
Would you lie with me, and just forget the world

I don't quite know how to say how I feel  
Those three words, I said too much, but not enough

If I lay here, if I just lay here  
Would you lie with me, and just forget the world  
Forget what we're told, *before we get too old*  
Show me a *garden that's bursting into life*

Let's waste time, chasing cars, around our heads  
I need your grace to remind me, to find my own

If I lay here, if I just *lay here*  
Would you lie *with me, and just forget the world*  
Forget what we're told, *before we get too old*  
Show me a *garden that's bursting into life*  
All that I am, *all that I ever was*  
Is here in your *perfect eyes*, I just couldn't see  
I don't know where, *confused about how as well*  
just know that these *things will never change for us at all*

If I lay here, if I just lay here  
Would you lie with me, and just forget the world
